Dear Sir Robert

Mrs Adams and family join me in thanking you for your very kind sympathy in our bereavement: He was a dear Lad, and we will sorely miss him, but we would not have had him do otherwise than follow what he thought was the path of duty.

again thanking you

Very Sincerely

D. A. Adams

Mrs. Allan,

58 Wychwood Avenue,

Toronto.

Dear Mrs. Allan:

I enclose you a letter which I have just received from Professor McLennan. I am sorry that the Board has found it impossible for them to accept your son's invention.

Yours sincerely,

President.

Dear D. Solomon

Mrs Allen unites with me in heartfelt appreciation of your kind & comforting words of sympathy touching the death of our dear Son. Your thought of his promotion from Christian Service, is the one that strengthens & uplifts us, if we are prone to lament our great loss. Our Assurance of his Christian Character tells us not to sorrow without hope.

Sincerely & with much appreciation

Yours

R. J. Allen

Professor J. S. Ames,

Director Physical Laboratory,

Johns Hopkins University, Baltimore.

Dear Professor Ames:

Professor R. F. Burton is still in Toronto as Associate Professor of Physics. He is this winter acting as head of the department in the absence of Professor McLennan, who has been granted leave of absence to serve with a scientific board at the Admiralty in London.

Dr. Lachlan Gilchrist has been serving in the Ontario Military Hospital at Orpington, England, for the last two years.

Yours sincerely,

President.

Rev. C. C. Anderson,

Wesford, Ont.

Dear Mr. Anderson:

Your letter of December 11 has just come. I am sorry that the character of the suggestions that were sent out for last week has seemed to you to be so inadequate. I feel confident that the committee does not for a moment suppose that the information which it sends out will be of a type to meet the needs of every one, and of course it is meant to give suggestions not to those who have all along been intelligently following the course of the war and have been educating their own people through personal knowledge of the situation, from information, however, that has been received through a great many sources the committee is of opinion that the real issues of the war have not been grasped by a large number of people, and our hope is to be able to do something to stimulate minds that may have been indifferent, even though what we attempt to do may in your mind be so trivial. I can only hope that as the work proceeds what is issued will appeal to your judgment.

I am,

Yours sincerely,

President.

Rev. C. Anderson,

The Manse, Burlington, Ont.

Dear Mr. Anderson:

I appreciate the compliment of your Session and Board of Managers in asking me to conduct Anniversary Services on Sunday, May 19th, but I have found it necessary to take a rule to take no preaching engagements in Churches, and have done so consistently since coming to Toronto, so I have to regret that I shall be unable to be with you.

With kind regards, I am,

Yours sincerely,

President.

Professor C. R. Anderson,

University of Toronto.

Dear Professor Anderson:

I do not think that I have ever seen more beautiful photofraphs of winter scenes than those which you have so kindly sent me. I congratulate you on the artistic work, and thank you very much for your kindness in sending them to me.

Yours sincerely,

President.

Mr. Wilfred C. Anderson,

15 Woolfrey Avenue,

Toronto.

Dear Mr. Anderson:

I have brought your petition before the Registrar and have gone into your case with him as fully as possible, and regret to say that after I looked through it I feel that it is altogether likely that the Council would not be able to grant you your standing for the year. Mr. Pretoor informs me that similar cases have been refused and that it would ~~inconvenience him~~ were we to make an exception of this kind. Also the burden that would rest upon you to carry this work with the regular work of the first year would be too heavy. In these circumstances it is only kindness to yourself that you should complete the matriculation examination before you enter. I may say that I am very sorry to disappoint you, but I feel sure that the Committee and the Council would act in accordance with precedents.

With kind regards, I am,

Yours sincerely,

President.

Dear Mr. Arnold:

I am enclosing a list of the preachers for the Fall Term and a draft letter to be sent to each. Will you kindly attend to this ?

Yours sincerely,

President.

June 28th, 1918

Dear Dr.-

We hope very much to resume next winter for the fall term the series of sermons which have been given in the University for so many years. Last winter owing to shortage of coal they were discontinued in the spring term. It would be a great pleasure to us if you could find it convenient to preach for us on some Sunday in the month of October, November or the first half of December. Would you be kind enough to suggest several alternative dates so that we may be in a position to arrange our programme ? We shall greatly appreciate the favour that you confer upon us if you can take one of our services.

Yours sincerely,

CANADA
